Head Ache Sometimes?

If so, it will interest you to know that it can be stopped with Dr. Miles' Anti-Pain Pills; and without any bad after-effects, and this without danger of forming a drug habit er having your stomach disarrange.1. They positively contain no opium, morphine, cocaine, chloral, ether or chloroform in any form. Dr. Miles' Anti-Pain Pills relieve pain, and leave only a sense of relief. The reason for this is explained by the fact that headache comes from tired, irritable, turbulent, over-taxed brain nerves. Anti-Pain Pills soothe and strengthen these nerves, thus removing the cause. They are harmless when taken as directed.

"We use Dr. Miles' Anti-Pain Pills for the cure of headache, and we think that there is nothing that will equal them. They will cure the severest spell of nervous or sick headache in a very few eccasionally have spells when my nerves seem to be completely exhausted, and I tremble so I can scarcely contain myself. At these times I always take the Anti-Pain Pills, and they quiet me right away. It is remarkable what a soothing effect

they have upon the nerves."

He was in the service of General Grant during the last six years of his life, and the ex-President became greatly attached to him. He nursed the distinguished gen-

eral through his last illness, and was con-stantly at his bedside both in New York and at Mount McGregor. The newspaper men of that day became well acquainted

with Terrell and wrote many complimentary

things about his faithfulness to President

Grant and his courtesies to them.

Mr. Terrell was sixty-five years of age.

He was born in Virginia and came to Washington immediately after the civil war. He leaves three children, Robert H. Terrell, who is a graduate of Harvard Col-

ment in October, 1886, and was made a messenger in October, 1887, in the war rec-ords office, since absorbed into the present

military secretary's office.
